ABSTRACT

These are the forms used by the Project tc contrcl the distribution of instructional materials. The resources listed here are intended for use with the 43 social studies units developed by the Project described in SP 007 050 through SP 007 092. They include: books, pictures and study prints, maps and globes, records, filmstrips, games, free materials, public affairs booklets, and teachers guides for kindergarten through twelfth grade. The title, author, and publisher for each are listed for reference. For any further information on the Project itself, see SO 000 643, SO 000 693, and SO C00 694. (SBE)
